Happy People

Hailey Whitters / Lori McKenna

Name: _____

Happy people don't cheat
 Happy people don't lie
 They don't judge or hold a grudge
 They don't criticize
 Happy people don't hate
 Happy people don't steal
 Cause all the hurt sure ain't worth
 All the guilt they'd feel

If you wanna know the secret
 Can't buy it, gotta make it
 You ain't ever gonna be it
 By takin' someone else's away
 Never take it for granted
 You don't have to understand it
 Here's to whatever puts a smile on your face
 Whatever makes you happy people

Happy people don't fail
 Happy people just learn
 Don't think they're above the push and shove
 They just wait their turn
 They always got a hand
 Or a dollar to spare
 Know the golden rule what you're goin' through
 Even if they've never been there

If you want to know the secret
 Can't buy it, gotta make it
 You ain't ever gonna be it
 By takin' someone else's away
 Never take it for granted
 You don't have to understand it
 Here's to whatever puts a smile on your face
 Whatever makes you happy people

These days it ain't always easy to find
 They're the ones who you want standing
 by your side
 No time for greed, if they need some,
 give 'em a slice
 And we'll all be happy people

Well life is short
 And love is rare
 And we all deserve to be happy while we're here
