

“It’s Ok”

*Written by 8th grade students at
Isaiah T. Creswell Middle Magnet School of the Visual and Performing Arts
with Kyshona Armstrong and Elisheba Israel Mrozik*

Looking in the mirror, staring at my face
Though the world is spinning it won't feel the same
While everyone else is on a country road
I'm here all alone on a jungle boat

There were monsters everywhere I go
Though the sun still shines as the dark wind blows
When I miss the calm of the clouds
I breathe in deep and sing out loud

It's ok, it's alright
You'll be fine through the night
If you stay the sun will shine
It's ok, it's alright – It's alright

When I'm all caught up in the universe
Thinking only money can quench my thirst
Trying to be productive but get nowhere
Got so many problems that I just can't bear

When I miss the calm of the clouds
I breathe in deep and sing out loud

It's ok, it's alright
You'll be fine through the night
If you stay the sun will shine
It's ok, it's alright – It's alright
