

“Feel Like a Somebody”

Hey friend, I know you're feeling pretty down
Life's been different ever since you left town
This crowded room ain't for you
But I know you don't feel right alone too

I know how you feel
I've walked a mile in your heels
Though today the clouds are grey
Tomorrow's gonna be a better day

Nobody should ever feel alone
Everybody should feel like they belong
So when you feel like talking
Call me up and I'll start driving
Cause everybody deserves to feel like a somebody

Don't you forget it, believe you're enough
You deserve all the love, all the love
Even when you're feeling pretty rough
You're a star in your heart, remember who you are

No matter what time of day
No matter how far away
If the moon's up or the sun's out
I'll be on my way
