

“I’m on a Boat”

By Adam Ollendorff, Margaret McCracken,
& SW 101 Participants on March 26, 2022

Do you like to go tubing?
Or laying out in the sun?
The party is moving
So let’s have some fun

I’m going on an adventure
Going to find hidden treasure
We’re cruising for pleasure
Let’s sail away, sail away together

I’m on a boat, a big pink boat
I like to float, I like to float
I’m on a boat, a big pink boat
I like to float, on the Ava boat

Cotton candy is waiting
Got a billion in tow
All the fish for the taking
Bring your swimsuit fo sho

I’m going on an adventure
Going to find hidden treasure
We’re cruising for pleasure
Let’s sail away, sail away together

I’m on a boat, a big pink boat
I like to float, I like to float
We’re on a boat, a big pink boat
We like to float, on the Ava boat

There's no rainy weather
And no bills to pay
Only blue skies forever
We're making our way

There's no rainy weather
And no bills to pay
Only blue skies forever
She's leading the way

I'm on a boat, a big pink boat
I like to float, I like to float
We're on a boat, a big pink boat
We like to float, on the Ava boat
