Song Structure Practice

Name: _____ Date: _____

1. Print or write down the lyrics to one of your favorite songs. This song should be appropriate for school use.
2. Label the following parts on the lyrics:
 - Title
 - Hook
 - Verse
 - Chorus
 - Bridge
3. Write a sentence that describes the theme of the song.

REMINDER

- The **title** is the name of the song and often appears in the chorus.
- The **theme** is the message of the song.
- The **hook** is the part of the song that is repeated often and is easily remembered. The hook usually has all or part of the title in it.
- Each **verse** has different words but the same tune.
- Each **chorus** has the same words.
- The verses give supporting details for the **subject**.
- The **bridge** introduces a slightly different idea. It is often shorter than the verses and chorus.
