

## LYRIC SHEET

**Check Yes or No***Dana Oglesby/Danny Wells*

It started way back in third grade  
I used to sit beside Emmylou Hayes  
A pink dress, a matching bow and her ponytail  
She kissed me on the school bus, but told me not to tell

Next day I chased her 'round the playground  
Across the monkey bars, to the merry-go-round  
And Emmylou got caught passing me a note  
Before the teacher took it, I read what she wrote,

“Do you love me, do you wanna be my friend?  
And if you do, well then don't be afraid to take me by the hand  
If you want to, I think this is how love goes  
Check yes or no.”

Now we're grown up and she's my wife  
Still like two kids with stars in our eyes  
Ain't much changed, I still chase Emmylou  
Up and down the hall, around the bed in our room

Last night I took her out in a white limousine  
Twenty years together, she still gets to me  
Can't believe it's been that long ago  
When we got started with just a little note,

“Do you love me, do you wanna be my friend?  
And if you do, well then don't be afraid to take me by the hand  
If you want to, I think this is how love goes  
Check yes or no.”

“Do you love me, do you wanna be my friend?  
And if you do, well then don't be afraid to take me by the hand  
If you want to, I think this is how love goes  
Check yes or no.”
