

“Music on Vinyl”
By Tim Fagan, Adam Ollendorff
& SW 101 Participants on August 6, 2022

We were driving ‘cross the country
No seat belts on
We were looking out for Airstreams
Just trying to write a song

Soothing phrasing of the fiddle
Singing out from Music Row
We were dancing in the middle
Trying to find out where to go

Like a needle, oh oh
Rolling up and riding down the grooves
Living by the mile, oh oh
We can go any way we choose
We got our own style
Like music on vinyl

Traveling, you get a couple scratches
Every memory’s another spin
The moment that the melody catches
Another verse with you begins

Like a needle, oh oh
Rolling up and riding down the grooves
Living by the mile, oh oh
We can go any way we choose
We got our own style
Like music on vinyl
