

DESIGN YOUR LOOK!

Ray Charles, the “Genius of Soul,” was known both for his music and for his flashy stage wear. His signature look often included an elegant dinner jacket, ruffled shirt, and a bow tie. These clothes helped make Ray Charles stand out on the stage as he sat at the piano.

Inspired by Ray Charles, create stage wear for yourself. Imagine a look you would like to wear for a performance. Add colors, designs, and symbols to show off your personality.
