## MUSIC OVER TIME

How does music change over time? (Grades 3-6)

Use *From Where I Stand: The Online Experience* to explore music throughout different decades. Complete the timeline below, listen to each song, and describe what you hear. Then, reflect on how music changes over time.

### Directions

1. **Order** each of the songs chronologically, filling in the artist or group name, the song title, and the date.
2. **Listen** to each song. As you listen, either draw a picture or write words that describe what you hear.
